LIVESTOCK EQUIPMENT

STANDARD 2-SECTION ALLEY

**PARALLEL ALLEY
ADD-ON SECTION**

3-SECTION PARALLEL ALLEY

PARALLEL ADJUSTABLE ALLEY

Product Code # 022-EST2SECT

Elite Parallel sheeted alley sections are constructed from 14 gauge tubing and sheet metal.

- Each section is 8' long, & can be adjusted from 16" to 32" wide
- The panels mount 6' tall on easily adjustable frames
- Sheet metal mounts 37" high
- Sections can be infinitely added
- 2-Section alleys come standard with one no-back gate
- Adjust from both sides so that your cattle are always in the center of the alley when you get to the squeeze chute

STANDARD 2-SECTION ALLEY

**WEDGE ALLEY
ADD-ON SECTION**

3-SECTION WEDGE ALLEY

WEDGE ADJUSTABLE ALLEY

Product Code # 022-EST2SECT

Elite Wedge Alley is also easily adjustable, with the bottom maintaining at 16" width.

- Sections can be infinitely added
- 2-section Alleys come standard with one no-back gate
- The adjustment latches and hinge points are specifically located to avoid manure and reduce rust and corrosion
- Adjust from both sides so that your cattle are always in the center of the alley when you get to the squeeze chute
