

THE CONQUISTADOR

EARTAG READER INTEGRATION

EFFORTLESS IDENTIFICATION

Instantly identify cattle with Allflex® Ear Reader technology, streamlining the record-keeping process.

REAL-TIME DATA ACCESS

On-the-spot access to health records, breeding info allows to make informed decisions in the field

ENHANCED HERD MANAGEMENT

Ensure timely interventions & improve overall herd health by monitoring & managing health metrics.

ACCURATE RECORD KEEPING

Livestock records are precise and up-to-date, simplifying compliance and reporting.

MOBILITY & FLEXIBILITY

Leverage the portability of The Conquistador and bring the ear-reader technology anywhere on your ranch.

LABOR EFFICIENCY

Reduce manual data entry & potential for human error, allowing ranchers to focus on more critical tasks.

TIME-SAVING TECHNOLOGY

Save valuable time by completing multiple health checks at once.

IMPROVED BREEDING PROGRAMS

Detailed animal data can enhance breeding strategies, leading to a more profitable herd.

THE ONLY PORTABLE CORRAL ON THE MARKET WITH ALLFLEX® INTEGRATION!
