## BENEFITS

### Ergonomic Pivot & Restraint System

- Smooth pivot action: quickly tilt calves to a secure horizontal position for safe, one-person operations.

### One-Person Operation

- Efficient design allows a single user to load, tip, and restrain calves without additional help.

### Multi-Use Capabilities

- Ideal for branding, tagging, vaccinating, castrating, and more—covering a full range of calf care tasks.
- Keeps calves calm and contained, minimizing the risk of injury to both animal and handler.

### Compact & Trailer-Friendly

- Streamlined footprint fits easily in most trailers for transport between pastures or ranch locations.
- Straightforward assembly—ready to use upon delivery.
